

FESTIVAL OF CHAMPIONS

SPONSORSHIP INFO

Band with Champions!

The University of Central Missouri is recognized as having the longest and highest quality tradition of marching band competition in the Midwest (Music Bowl Missouri - 1977 to 1998; Festival of Champions - 1999 to present). The finest marching bands, drumlines, color guards, directors, families, friends, and enthusiasts have traveled from a seven-state region to be part of the Festival of Champions experience.

Our Mission

The primary mission of the Festival of Champions is to raise scholarship funds for Wind/Percussion students involved in instrumental music at UCM. Many of these students will pursue careers as teachers and performers bringing greater awareness to the importance of arts in our schools and communities.

Corporate Opportunity

Our event creates a tremendous potential for your corporate message to reach a large number of individuals in Warrensburg, MO and in the greater Kansas City region through our publications, web sites, and frequent acknowledgement of your support at the event.

Sponsorship levels

**A minimum of 75% of sponsorship payment is deposited for scholarships.*
